---

Deborah has over 30 years of insurance industry experience, working both at the agency and company level. Prior to joining Synergy, she worked at PF+C Insurance Services for 11 years as their Claims Manager/VP Operations where she managed and oversaw various matters in the London and Bermuda markets. Prior to PF+C, she worked with General Casualty as a member of the litigation unit specialising in third party environmental property claims.

As an Executive Liability Adjuster, Deborah is responsible for managing liability claims, her responsibilities include handling claims to conclusion along with managing local defense and coverage counsel, identifying coverage issues, setting reserves, attending court trials and depositions and supervising investigative claims staff.

As Synergy's TPA Advisor, her other duties include the continual overview of TPA processes to ensure compliance with internal claims management and external reporting guidelines.

**Qualifications**

AIC

**Areas of specialty**

TPA management, liability and property claims adjusting with specialties in environmental, construction, products liability and dram shop claims.
