Lacey joined Synergy Adjusting in August 2016. Working in the client financial services department, her duties include maintaining the bordereaux on a daily basis and reconciling loss fund bank accounts.

Lacey liaises with London brokers regarding bordereaux funding, reconciliations of the loss funds, setting up new loss funds, returning loss funds to underwriters and bordereaux queries. She is also responsible for accounts payable for all claim settlements and fees.

Qualifications

Bachelor of Science – Georgia College & State University
