“Our mission is to be a leading provider of tailored insurance claims services which meet the specific needs of our clients. Constantly working to improve our abilities and provide a quality service, we aim to deliver value by being efficient, flexible, honest and professional.”

“We are committed to the long term development of our employees, our services, our company and our clients.”

Our People

Synergy Adjusting was founded in 2004 as an independent adjusting company by Nick Green, Mike Najafi and Paul Smith. The management team strive to provide a working environment where our aim to deliver value to our clients can be achieved. Constantly working to improve Synergy’s abilities, we support our staff with in-house training and relevant external professional qualifications.

The Synergy staff are the foundation of our company and we aim to work together as a team to fulfil all our clients’ needs.

Our Vision

Our aim is to be a leading provider of tailored insurance claims services, always striving to meet the specific needs of our clients.

Our bespoke IT systems provide a platform for efficient claims management from instruction to final reporting and our quality control procedures ensure that our services adhere to our clients’ specified requirements.

Our priority is to provide our clients with a quality service they can trust.

Synergy Adjusting Corporation

Synergy Adjusting provide experienced claims adjusters and third party administrators to Lloyd’s of London, the London company market and USA E&S domestic insurers.

Delivering a quality service from our collective wealth of expertise, our staff are all familiar with the ever-changing world of surplus lines insurance.

Synergy specialise in all aspects of Property Adjusting, TPA and Claims Management, Catastrophe Management and a variety of other adjusting services.

As well as our strategically placed offices in the US, Synergy also have a London office which enables us to provide our clients with the same time zone attention they deserve and any advice that they require.

Our Services

Synergy are experienced adjusters in the areas of:

- Catastrophe Management
- Homeowner Programmes
- Liability
- Medicare
- MTC / DOL / GKLL
- Pre-risk Surveys
- Property
- Salvage and Subrogation
- TPA and Claims Management
- Transportation

Our TPA and claims management adjusters provide our clients with the benefit of our many years of experience including the management of escrow funds and bordereaux presentation. For each account we dedicate a TPA Manager and where appropriate a dedicated team.

We also have experience in dealing with self-insured programmes and erosion of annual aggregate deductible programmes.

Whilst providing services mainly for the London and other E&S markets, we also have a number of domestic clients where we provide full adjustment processes to major hotel corporations and high value homeowner programmes.
